

Products Specification

>> Hand Sprayer <<

| | |
|---------------|-----------------|
| Model | HS-303 |
| Body | Stainless |
| Dimensions | 20 × 7 × 9 inch |
| Tank Capacity | 0.9 gal |
| Nozzle | 1 |

-For agricultural use, gardening, fruit trees and floriculture uses, etc.

-Because of being made of special plastic material, it's light and has no rust problem.

-It's designed to spray a large amount with lesser compression by enlarging the size of the cylinder bearing.

-With one-touch spray nozzle handle, it is easy to use and has no rust problem
